SKILLS & TECH STACK

- **Languages:** JavaScript, TypeScript.
- **Frameworks & Libraries:** React, Next.js, Express, Node.js.
- **Web Technologies:** HTML, CSS, Tailwind CSS.
- **Tools & Platforms:** Git, Webpack, Vite, Jest.
- **Familiar with:** Prisma, Zod, PostgreSQL, MongoDB.

PROJECTS

Pet Daycare Management Application | [[GitHub](#)] | [[Live Demo](#)]
- **Tech Stack: Next.js, TypeScript, Zod, Prisma, Next Auth, Tailwind CSS.**
- Pawsome Pro is a modern, full-stack web application for managing pet care, built with Next.js and Prisma for the backend.
- Implemented secure payment processing with Stripe and user authentication with Next Auth and bcrypt.
- Handled state management using the Context API and Zod for client-side and server-side validation.

Cabin Management Portal | [[GitHub](#)] | [[Live Demo](#)]
- **Tech Stack: React, styled-components, React Query, Supabase.**
- Developed a full-stack cabin management application with user authentication, data visualisation, and dark mode features.
- Utilised React Query for data fetching and caching.
- Designed a visually appealing user interface with styled components.

OpenAI Powered Travel Application | [[GitHub](#)] | [[Live Demo](#)]
- **Tech Stack: React, React Query, Next.js, JavaScript, Prisma, Neon, Clerk, Tailwind CSS.**
- Created an AI-powered travel companion web application for personalised travel itineraries.
- Integrated secure user authentication with Clerk and utilized React Query for efficient data fetching and state management.
- Designed a sleek, responsive user interface using Tailwind CSS, enhancing the overall user experience.

Remote Job Board | [[GitHub](#)] | [[Live Demo](#)]
- **Tech Stack: TypeScript, JavaScript, React, CSS, Context API.**
- Designed an application for developers to search, sort, and bookmark job listings with TypeScript, React, and Context API.
- Efficiently managed state and data, ensuring cached and persistent information between renders.
- Implemented a user-friendly bookmarking system, enhancing job management features.

WORK EXPERIENCE

Chestertons UK (Prime estate agency) | London, UK | June 2023 – February 2024
Senior Lettings Negotiator

- Leveraged strong interpersonal skills and market data to exceed client expectations and secure premium properties.
- Identified customer's needs through detailed qualification, resulting in successful negotiations of complex lease agreements.
- Ensured client satisfaction and achieved high deal volumes in a competitive market while monitoring KPIs.

Foxtons Group Plc | London, UK | February 2018 – March 2023
Trainee Lettings Negotiator – Rare and Short Lets Negotiator - Senior Lettings Negotiator

- Managed the entire lettings process, fostering a collaborative environment and mentoring new team members.
- Surpassed personal targets by 15% consistently, securing tenancies for over 350 properties through skilful negotiation.
- Boosted personal yearly billings by 20% with short-term rentals, showcasing deep comprehension of the London rental landscape and a results-driven mindset.
